If fencer has any limitations or special needs that we should be aware of, please specify: _____

New members may join Southfield Fencing at any time during the school year. There is no requirement and all fencing equipment is supplied free.

I understand that participation and physical exertion in sporting activities carries certain risks.....and in fencing, specifically, here are just a few examples: 1. One can be bruised by a hard hit. 2. One could receive a cut from the edge of a blade.
3. One could strain or pull a muscle while lunging. 4. One could be hit by broken blade causing a puncture wound. 5. One could twist an ankle or knee.

I agree to hold harmless Southfield School, the Fairfield Avenue School of Fencing and Andy Shaw and the owner of the building, Bear Grigsby.
